Summary

I am an Echols Scholar studying mathematics in the University of Virginia's College of Arts and Sciences. In the Spring of 2027, I will be studying in Hungary with the Budapest Semesters in Mathematics, after which I will resume my studies at UVA. I hope to pursue graduate school in mathematics, with the ultimate goal of becoming a professor.

Education

2025 - present	B.A. Mathematics candidate at the University of Virginia	(GPA: 3.797/4.00)
2021 - 2025	High School Diploma at Warwick High	(GPA: 4.61/4.00)
2023 - 2025	International Baccalaureate Diploma Programme	(Diploma Received)

Honors and Awards

Spring 2027 Participant, Budapest Semesters in Mathematics — October 2026

Joint Mathematics Meetings Presenter, American Mathematical Society — October 2026

Summer Opportunity for Academic Research Virtual Program Participant — May - Jul 2026
Laney Graduate School of Emory University

4th place in HooHacks Estimathon 2026, Jane Street — November 2026

Echols Scholar, UVA College of Arts & Sciences — Aug 2026

Beard/Bennett Memorial Scholar, BayPort Credit Union — Apr 2025

H. Kruger Kaprielian Memorial Scholar, UVA Alumni Association — June 2025

High School Musicianship Award, United States Marine Corps — May 2025

Honor Society Member: National, Mathematics, French, Science — Mar 2024 - Jun 2025

Summer Jazz Piano Intensive Participant, Interlochen School for the Arts — Jun 2024

First Place Drum Major, Kennel Classic Marching Band Competition — Nov 2023

Eagle Scout, Boy Scouts of America — Aug 2022

Projects

SOAR Virtual Scholarly Program — May - Aug 2026

Selected to participate in the Summer Opportunity for Academic Research with the **Laney Graduate School of Emory University**, where I developed my skills as a researcher.

Mathematical research — Mar 2026 - Present

I have conducted research in graph theory and combinatorics, advised by **Professor Alexander Halperin** from Salisbury University. I will be presenting some of my findings at the **2027 Joint Mathematics Meetings**.

UVA Math Directed Reading Program — Jan - May 2026

Studied knot theory with a Ph.D. student, then gave a talk to the math department.

UVA Math Experimental Lab — Sep - Dec 2025

Worked on a team studying discrete dynamical systems under **Dr. Oliver Wang**.

Virginia Peninsula Foodbank Five Dollar 5K Jan - Apr 2025

Organized a 5K race that raised over $500 for the Virginia Peninsula Foodbank in Newport News, VA.

Extracurricular Involvement

MATH 1191, Embedded Tutor Sep 2025 - present

I am a part of the team running MATH 1191: Survey of Calculus, assisting students in strengthening their mathematical background. My responsibilities include working with students in the classroom, as well as hosting office hours.

UVA Undergraduate Math Club and Putnam Team, Social Chair Sep 2025 - present

Responsible for organizing social events and foster undergraduate engagement in the mathematical community.

Cavalier Marching Band, Trumpet Player Aug 2025 - present

I play the trumpet in the Cavalier Marching Band. My responsibilities include learning drill, music, and choreography, performing at football games, and traveling across the country for various events.

UVA Club Swim, Member Sep 2025 - present

Employment

UVA Advancement, Office of Engagement Student Worker Mar 2026 - present

Responsible for creating a more efficient workflow for shipping supply packages to alumni clubs around the globe. This involves writing programs and macros to streamline the registration and labeling process, as well as extensive work in Microsoft Excel to oversee financial and progress reports.

UVA Center for Christian Study, Hospitality Intern Jul 2026 - present

YMCA of the Virginia Peninsulas, Lifeguard and Swim Instructor Aug 2022 - present

Coast Guard Blue Dolphins Swim Club, Swim Instructor May 2025 - present

Serenity Pools and Spas, Lifeguard May 2025 - present

Chanello's Pizza, Delivery Driver, Dishwasher, and Line Cook May 2025 - present

Relevant Skills

- Working in a team
- Communicating effectively
- Financial management
- Teaching/working with children
- Proficient in LaTeX
- Conversational in French (Duolingo score 128)
